

How to submit assignments on google classroom

I have a paper and need to upload it to google classroom to submit. Without using google drive app on phone.

Step 1: Take a picture of the assignment on your phone. Make sure you take a picture of all pages!

Step 2: Hit the share icon. Then click on google drive. (if you do not have the google drive icon then email the pictures to yourself)

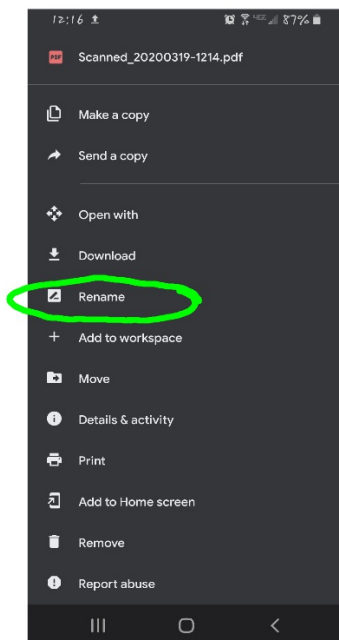

Share icon

Send as email to alvin email

Once you email to yourself you can click on the file and hit add to drive. Then go to Step 3!

Step 3: Name the pictures.

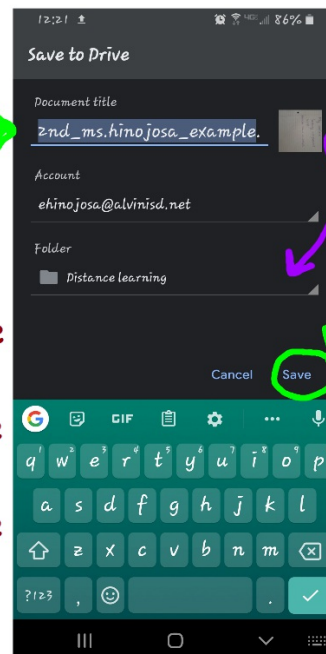

Type in the file name

2nd_name_file name

4th_name_file name

7th_name_file name

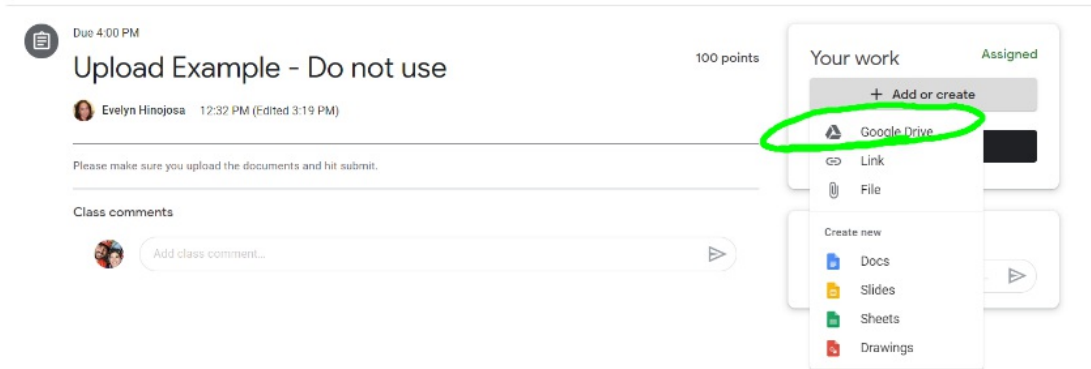

Make sure you know the folder you saved to!

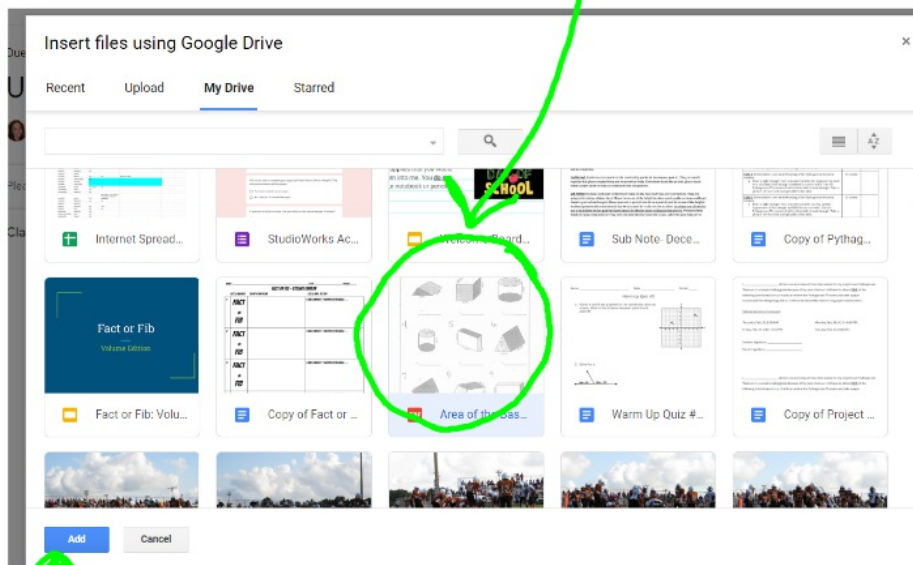

Step 4: Hit Save

Step 5: Submit to google classroom!

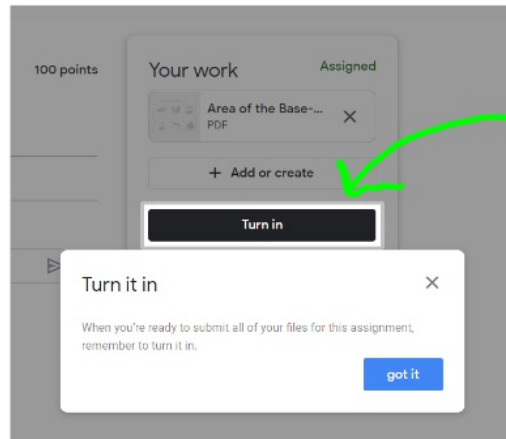

Go to assignment and click on add or create and select the google drive

Click on my drive and find the file you saved...then click on add

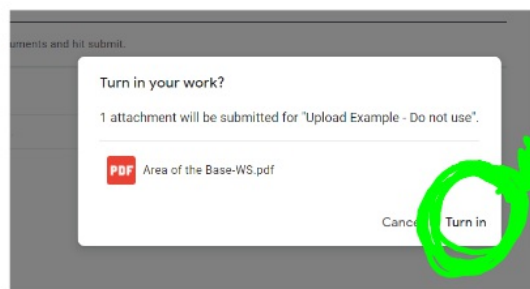

Now you should see this... you must hit turn in! It will not count as being submitted if you do not hit the button!!!!

click it!

It will ask you if you want to submit your work... HIT TURN IN!!!!

If the assignment looks like this then you did it correctly!!

Yay!

Done!

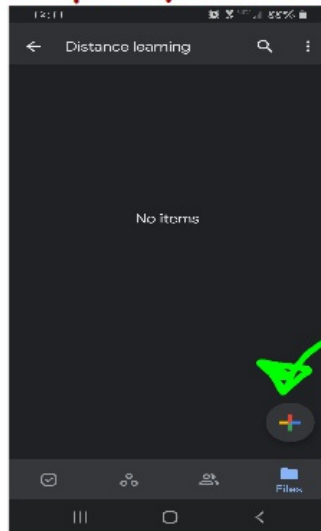

When I provide feedback I will put it in the private comments. Please make sure you check it.

How to submit assignments on google classroom

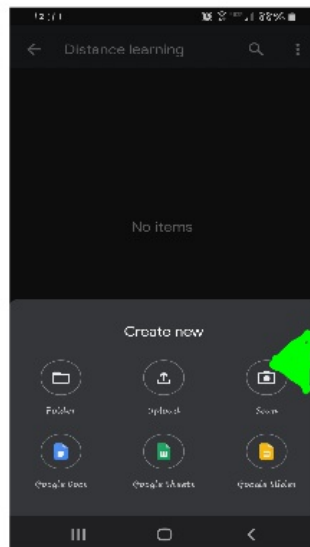

I have a paper and need to upload it to google classroom to submit. With google drive app on phone.

Step 1: Open the google app on your phone. Hit the plus sign at the bottom right corner. (This helps if you are already in the folder that you want to save in.)

Click this

Step 2: Hit the scan icon.

Step 3: Scan the document(s). If you need to scan more than one page, hit the plus sign at the bottom left.

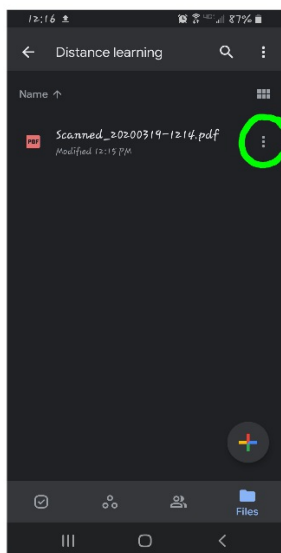

More than one page hit

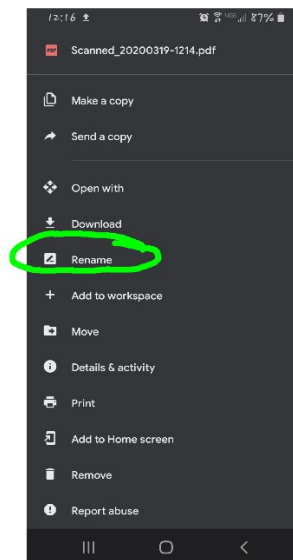

When done adding pages hit the check at the bottom.

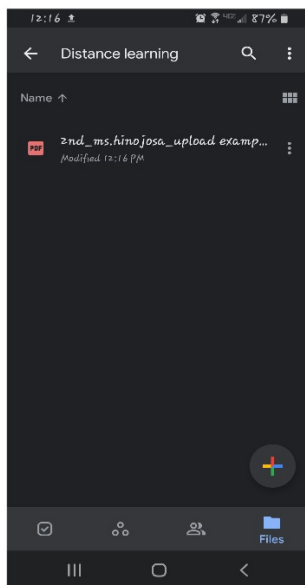

Notice the same is funny... step 4 is to rename it. Hit the three dots on the side of the file. Scroll until you see rename.

Click

Step 5: Name the assignment and hit rename. Should appear like this.
